

DHS CLASS OF 1970 45th REUNION PHOTOS

Joan Griffin Lamb

First and foremost I want to thank everyone who had a hand in making this reunion a successful event. A lot of hard work went into decorating for both events. The members of the Decorating Team did a fabulous job under the direction and leadership of Joan Griffin Lamb. Her creative and artistic skills are amazing and her generosity exceeds her skills. Thanks to each and every one of you on the team!

Bruce Knop

Second thing – I would like to express my deep appreciation to Terry Slaughter for picking up Bruce Knop in Abbeville and bringing him to our reunion then returning him to the nursing home that evening. He had a wonderful glow on his face the entire time he was there. I think Bruce will remember the night of his 45th reunion for a long time to come!

& Debbie Ellison Metcalf 2015

I was never expecting these lovely flowers, and a gift certificate to Conestoga Steak House for 2, for doing what I do for the class. It is my pleasure to keep you all informed. I don't have a lot of skills, however, I do have computer skills and people skills. I gladly share these skills with my fellow classmates. Thank you for the kind gifts! I was totally shocked and surprised! I appreciate your kind-heartedness.

Following are the photographs taken at the 45th Reunion. Some are captioned and some are not. I hope you enjoy the photos.

I hope you've enjoyed the photos from the reunion. If any of you have photos you'd like to share with me, please send them to my email address ddb@lgbconsulting.com . I had to leave the reunion event on Saturday night when the DJ cranked up the music. I am deaf in one ear and the only thing I could hear was the music (which translates to excruciating noise!). It was making me crazy. I apologize if I omitted any classmate's photo. I did the best I could. If you send me photos, I will be happy to include them in this photo document.

Kindest Regards,

Debbie Breckenridge
