

DHS Lunch, May 26, 2011  
Firestone Wood Fired Pizza & Grill

This month's DHS Lunch was held at Firestone Wood Fired Pizza & Grill. *We had a fantastic turnout of classmates for this lunch - 23 !*

Sallie Fortner Helm, who lives in Houston, TX, drove up from Compass

Lake where she is renovating the family lake house. Also Becky Word

and her sister-and-law Jeanne Hibler drove up from Destin, FL. Jeanne lives in Las Vegas, NV.

And the big surprise was Glenda Thomas Stuckey who drove up from Panama City, FL. Girls, I want to express our sincere appreciation for making the effort to come to today's lunch. It was so very nice to see each one of you and be able to visit over lunch. Thank you so much for being there.

On another note, Kathy Granger will be moving to Birmingham next month. We were so happy she was able to attend our lunch today. We will miss her when she leaves. Perhaps from time to time she will be able to come to Dothan to visit and attend our lunches when possible. You will be missed, girl!

Once again, I will remind everyone. If you have never been to one of the lunches, you should try and come sometime. We always have a good time, good food, warm, loving fellowship with each other and last but not least, *lots of laughs!* Try it sometime, you may just like it. This document will be posted to our website <http://dothanhigh1970.com> in the Photo Albums section. Please visit the website from time to time and check out the message board for information about what is going on with fellow classmates. Also remember to keep you classmate profile up to date with your current address, phone and email information.
