

DHS 1970 Monthly Lunch for February 27, 2014

This month's DHS Monthly Lunch was held in Abbeville at Huggin' Molly's. We came to Abbeville for lunch in order to go visit with fellow classmate Bruce Knop, who is in the Abbeville Rehab and Nursing facility. More about that later.

Below are some photos of the food we had while there.

Needless to say, the food was delicious!

Below is a photo of the attendees today.

Bottom Row: Randy Johnson and Debbie Dennis Breckenridge

First I want to explain how we happened to go to Abbeville to Huggin' Molly's. Mary Nell Blissett Dodd sent me an email and suggested that we should go to Abbeville to Huggin' Molly's and have a DHS Lunch there so we could go and visit Bruce Knop who is now living in the Abbeville Rehab and Nursing Home in Abbeville. He suffered a mild stroke back in November. His long-term prognosis is uncertain, but he is not ambulatory and will never drive again. Their phone number is 585-2241. You can ask for the nurse's station on the 200 Hall and ask to speak to him or leave him a message. Thanks for anything you and the class can do to "lift him up". I talked with Robert, Bruce's brother, to see if he thought it would be ok for us to go as a group to visit Bruce and he said it would be great. That is how this came about. Photos from our visit with Bruce will be included below.

We were thrilled to have Bobby Reeder and his wife, Patti, join us today. They live just outside of Atlanta so we don't get to see them very often. Thank you both for making the effort to join us today. It was so nice to see you both!

We were also thrilled to have Marcia Driggers Weber join us today. She lives in Montgomery and we don't get to see her very often either. Marcia, thank you so much for making the effort to join us today as well. It was great to see you again!

Following are the photos from today's lunch.

That is all of the Huggin' Molly's Photos. We left Huggin' Molly's and drove over to the Abbeville Rehab and Nursing Home for our visit with Bruce Knop. Below are the photos from there. They had a room set up for us with coffee and then they went to get Bruce and bring him to the room to visit with us. One by one, we told Bruce who we were and gave him a big hug and chatted with him.

As you can tell from the photos, Bruce seemed to really enjoy our visit. I am so glad we were able to go there today to see him. Please remember to keep him in your thoughts and prayers. If you get a chance, run up to Abbeville and pay him a visit. He seemed to know each one of us – it was so heartwarming!

As you can tell from the photos, we had a nice lunch and a good time visiting with one another. Once again, I will remind everyone. If you have never been to one of the lunches, you should try and come sometime. We always have a good time, good food, warm, loving fellowship with each other and last but not least, *lots of laughs!* Try it sometime, you may just like it. This document will be posted to our website <http://www.dothanhigh1970.com> in the Photo Albums section. Please visit the website from time to time and check out the message board for information about what is going on with fellow classmates. Please remember to keep your classmate profile up to date with your current address, phone and email information. If you

are not getting the lunch notifications or the photos delivered to your email and would like to receive them, please contact me at ddb@lgbconsulting.com.
