DOTHAN, ALABAMA — OCTOBER 9, 1968

NUMBER 2

LYNNE BARRETT CROWNED "MISS DOTHAN"

On the night of September 14, Lynne Barrett was chosen from a field of twenty-four worthy contestants to become Miss Dothan of 1968-69. Lynne and the first and second place runners-up, Marilyn Langham and Kathy Rivers, respectively, were chosen from ten semi-finalists. The remaining semi-finalists are Mary Alice Davis, Sheila Strickland, Debbie Hillman, Julia Ann Bailey, Donna Brown, Kathy Blanton, and Sherry Jean Bryan. Miss Janet Byrd, received the Miss Congeniality Award.

The pageant was held in the Dothan High Auditorium. The judges for the contest were Dr. H. Floyd Mallory, William B. O'Neal, and Miss Jerrie Mallory, the

Alabama Posture Queen.

Jerry Adkinson served as master of ceremonies and Bob Hacker supplied music for the pageant with his organ.

The pageant opened with a song and dance number featuring the contestants. Donna Gail Martin, the 1967-68 Miss Dothan then gave an introductory speech. The twenty-four contestants entered through a picture frame for the bathing suit and evening gown competition.

Entertainment was provided by the Phiniques, a group of girl folk singers from Defuniak Springs; vocalist Tommy Harper, a student at D.H.S.; and the Alley Cats, who did a comedy dance routine.

D.H.S. Band Impressed New Band Director

Mr. Ed Hickman, the new band director, greatly praised the D.H.S. Band. The marching band consists of 82 members: 61 marchers, 2 drum majors, 5 majorettes, and 11 alternates. Hickman said that he had been greatly impressed by the dedication of the band members and their willingness to work for the high goals which he sets for them. The band is highly disciplined

but very high spirited and hard working.

During the ten weeks of football season, their goal is 100% effort. This will carry over into the more difficult and serious work of the concert season. Mr. Hickman concluded by saying that if the band's spirit continues like it has been, there will be no telling what they can do.

Mr. Hickman, who ob-

tained his B.S. in Music Education from the University of Alabama, was originally from Birmingham, Ala.

F.H.A. Officers Elected; Plans Slated For New Year

So far this year, F.H.A. has been very busy. New officers have been chosen, which are as follows: Janet Byrd, president; Donna Vick, vice president; Pam Bevis, secretary; Alana Patterson, historian; Cher Hayes, parliamentarian; and Lynne Barrett, reporter.

Many interesting programs and projects for F.H.A. are being planned. At the first of October FHA will accept new members. All girls who have had one year of Home Economics or are taking Home Economics are urged to attend the meeting in October.

Alternates—Marilyn Langham, Kathy Rivers; Miss Congeniality—Janet Byrd.

Scribbler Staff Elects Holmes

Mike Holmes is the new Editor-In-Chief of the Scribbler, Dothan High School's literary magazine.

He was elected at a meeting September 11 when Scribbler staff members met at the home of Laurie Elmore. Also elected to serve with Mike for the 1968-69 year were Laurie Elmore, essay editor; Jeffrey Bauman, short story editor; Carol Downs, poetry editor;

Marcia Driggers, art editor; and Jim Tindell, business manager.

The Scribbler staff also met September 15 and 17. At the September 15 meeting the following new members were approved by a vote of the staff: Jane Brown, Steven Clay, Bonnie Houghton, Ken Mauldin, Angie Maxwell, Beverly Nicholas and Sue Youngstrom.

National Merit Scholarship Finalists Announced

Four Dothan High School students and three who attended school here last year have qualified as semi-finalists in the 1968-1969 National Merit Scholarship Program.

The four still attending D.H.S. are Tommy Daniel, Mable Martin, Carol Jones, and Judy Sullivan. The other three are Edwin Mullican, Diana Davis, and Vic Bubbett.

To be considered for a

scholarship the semi-finalists must advance to finalists. This is done by the students receiving the endorsement of their schools, submitting scores from a second exam which will be given November 1, and providing information about their achievements, interests, and family's economic status.

The winners of four-year Merit Scholarships may receive up to \$1,500 a year.

D.H.S. Welcomes New Teachers

The faculty of Dothan High School has obtained twelve new members.

Patricia Baily, the drama and speech teacher, obtained her B.S. degree from Huntington University.

Sandra Bishop, who graduated from Emory with her B.S. degree, is an English teacher.

Mrs. Ann Bolbert, an English teacher, attended Auburn University and Troy State.

Mr. Alan Bolbert, a DHS coach and world history teacher, attended Auburn University and Troy.

Colonel Maurice DePass, who attended Clemson, Jacksonville State, and the University of Maryland, and Sargeant Major Jack Finn are the two new ROTC instructors.

Faye Lawrence, the plane

geometry teacher, obtained her B.S. degree from Troy.

Mr. Robert Lawrence, a graduate of Troy with a B.S. degree, is the art teacher.

Miss Cecile Malone, an English teacher, obtained a B.A. degree at Trinity College and Maryville College.

Mrs. Cynthia Moore, a graduate of the University of Alabama with a B.S. degree, is an American History teacher.

Mr. Harry McClure, the Glee Club instructor, graduated from William Cory College and New Orleans Seminary with a B.M.E. degree.

Mr. Edmond Hickman, a graduate of the University of Alabama with a B.S. degree.

The student body and the faculty of Dothan High join together to welcome each new teacher to D.H.S.

Chess Club Elects Officers

The Chess Club held its first meeting of the year on September 18 to elect new officers. The officers for the 1968-69 school year are: Steve Clay, president; Clayton Pack, vice-president; and Karen Douglas, secretary. Mr. Hollingsworth is the sponsor. The club plans to conduct several tournaments, matches, and other forms of chess competition with other high schools this year. Any student interested in joining should contact a member of the club.

Los Maniceros Holds First Meeting

The meeting of Los Maniceros for September consisted of an organizational and get-acquainted session. Plans for the year were discussed and dues were announced to be collected by next meeting.

F.T.A. Organizes For 1968-1969

The Future Teachers of America held an organizational meeting in early September. Teachers' aides for the year were appointed.

The officers are president, Scott Harmon; first vice-president, Deborah Denney; second vice-president, Bradley Dennis; secretary, Paula Dunning; treasurer, Diane Moss; parliamentarian, Julia Ann Bailey; historian, Jacquie Sue Morris.

THE IMAGE OF LEADERSHIP

A leader's a man who commands much respect,
But due to the natures of all,
He's only as good as the image he casts
In the mirror that hangs on the wall.

He usually sees what he wants, and no more.
He's afraid to look deep in his soul.
He doesn't consider himself as at fault,
But wants others to help reach his goal.

When failures arise he blames it on all
Who failed to help or take part.
"They never did what they were told," he would say,
"They haven't the skill or the art."

Achievement or fame of the group he commands
Is attributed all to his skill.
"They did what I told them and followed my lead.
I said we'd achieve, and we will."

What kind of a leader are you going to be—
The kind who thinks he is the best?
Or will you be one of the very few greats
Who attributes success to the rest.

Don't fail to look at the help you received
From parents and friends all your life.
They comforted, praised you, and gave you the push
To help you through trouble and strife.

Another whose help you should never forget,
Who gave you your life and His love,
The one to whom all of our assets are known
Is one whom we pray to above.

Be humble in all of your leadership traits,
Thank those who have made you so tall.
Be human to others, consider them too
Then smile through the glass on the wall.

—John Scholland

Key Club Begins Duties

The Key Club, under the leadership of Quickie Foy, has taken the responsibility of caring for the lawn surrounding the Science Building. Every few weeks the members stay after school edging the walks, cutting the grass, and cleaning the area.

At its meeting on Tuesday, Sept. 17 the club was honored to have both president and president-elect of the Dothan Kiwanis Club. The retiring president, Mr. Frank Gaines, spoke to the

members on ideas for new projects and complimented them on their work during the past year. Then President-elect, Mr. W. D. Warren, told the group that he hoped both Kiwanians and Key Clubbers could work closer in the coming year.

The club held its first supper meeting of the year on Sept. 24 at the Leon Restaurant. Coach Johnny Oppert spoke at the supper. Key Club plans to hold similar meetings every six weeks.

Wife to husband reluctant to help his small son with homework: "Help him now, dear, while you can. Next year he goes to the fourth grade."

Morning Devotion Officers Elected

The Morning Devotional, which meets every Tuesday and Thursday mornings at eight o'clock, held its first meeting September 13, 1968.

Officers were elected and they are as follows:

President, Rodney Dennis; first vice-president, Judy Jerkins; second vice-president, Janet Byrd; music director, Bradley Dennis; and pianist, Jan Cook.

Making History

By Jane Sims

Take a good long look at your school, Dothan High. We have to be the luckiest students ever to attend school in Dothan. Never, in the entire history of the City of Dothan, has there been such a modernly equipped school. We, the students of 1969, have more advantages given to us than were given to students just one year ago. In that short length of time, record breaking additions have been made to our school. A new gymnasium, a new library, and a new science and arts building are good examples of the progress being made in our school. Think of the many generations to follow by whom these buildings will be used. When we are old and gray we can look upon the old buildings and say with pride, "Our class was the first to set foot in that science building and gymnasium."

Not only the buildings are new but also some additions have been made to our curriculum. We are the first students ever to be of-

fered the chance to take art and ROTC. Because of the popularity of both subjects it is very likely that they will remain at Dothan High for many years to come.

Something else noticed as being a very large part of this 1968-'69 year is our growing school spirit. The last couple of years have not witnessed very much school pep and vitality. Maybe it is because we have more to be proud of that we are livelier and more exuberant. It might be imagination and just a little exaggeration, but it seems to be true, at least it should be true that our school spirit is the best ever. We have a great deal to be proud of and a lot to be thankful for.

Something that many students tend to forget is how lucky we are to have such well trained and well qualified teachers. You might say we have the "cream of the crop" when it comes to teachers.

So next time you get to thinking how crummy school is, knock your head against the wall. But be ever so careful not to damage the plaster.

All The Lonely People— Where Do They All Come From?

By Jacquie Sue Morris

Each day as one walks on the streets of Dothan, through the halls of high school, or throughout the world, a new face is seen. Behind these outward appearances are various histories, which one knows nothing about. However,

many of us seem to decide if we like a person before we have even discovered their hidden characteristics. To put it bluntly we shun those people who maybe look a little different from what we are used to seeing. Many people go through life without ever having a friend

The Fake

By Sandi Blumenfeld

In the society of today, there exists a monster, a creature inwardly despised by all. He is the subject for laughter and the target for disgust. This least of whom I speak is commonly known as "The Fake."

Many people actually do not know their own character. The anxiety to belong forces one to take on an entirely new attitude. He usually feels dejected and unwanted. It seems a new lifelong disguise modeled exactly after another is the only answer to his problems. Thus, he trudges on, laughing on the outside; crying on the inside. As a result, true happiness can never be found, for how can you find something if you do not know what to seek.

What the imposter fails to realize is that each of us is an individual. God created us with unique distinctions. If a "friend" does not like you for what you are, then he is not a friend. Be yourself at all times and all places. A display is not needed for companionship. Instead, a warm smile or an understanding glance may be that missing link toward a friendship.

It takes all kinds of people to make this world. Life is not a fake, it is a reality. Thus a person living in fantasy cannot survive. How about you? Are you willing to face the hidden truths life holds?

because of this very reason.

All the lonely people, where do they all come from? Standing at lunch all alone while the rest of the students are busy mingling in their groups or never having anyone to walk down the halls with can cause a barrier in one's life that can never be torn down. We often say we want to help these lonely people, but somehow we never get around to it.

All the lonely people, where do they all come from? Find out, be their friend, don't cause them to have to cry themselves to sleep ever night. If you think that it will hurt you to talk to them just remember their lifelong hurt if you don't.

Make Us Aware

By Olivia Saliba

God—let me be aware.

Let me not stumble blindly down the ways,
Just getting somehow safely through the days,
Not even wondering why it all was planned,
Eyes to the ground unseeking for the light,
Soul never aching for a wild-hinged flight.
Please, keep me eager just to do my share.
God—let me be aware.

It is important for us to understand that we educate ourselves either in school or out of it. A degree may be a part of our education or it may not be. We may have the highest degrees offered and yet be most lacking in a real education.

Regardless of how we get our education, the importance of getting one cannot be overestimated. If we are going to think for ourselves, we have to have facts. If we are going to think for ourselves, we have to have facts. This means continual learning.

Yet, the teachers in our own lives, whom we would remember as great, are not necessarily those who

taught us the most facts. They were those who felt some responsibility for us as a person. They were those who were more concerned with whether or not we grow in judgment and in the ability to think for ourselves, rather than in how many facts we could give back to them on an examination.

It is harder for those young people who will not be able to go to college to get an education. It takes more effort to learn for yourself outside the classroom, but you can do it. Either in or outside the classroom, learning depends on you, your will to do, to grow, to think and act for yourself.

Youth - A Waiting Room To Adulthood

By Marilyn Langham

Have you ever stopped to think why youth has to wait so much and so long for achievement, recognition, and success? Wait till you're in college—Wait till you're on your own—Wait till you've got your own family. Why is it that our generation spends so much time waiting? Waiting for the next test, the next date, the next day—always living in the future. Youth is a time for making decisions—not just a waiting room for the next flight to adulthood. Youth is a time in our life when one chooses his des-

tinuation in life. It's a time to decide where we're going and how to get there. We wait for almost everything. We wait to hear from the college admissions board—but not really for an education. We wait for the one and only in our life but not without dating others. We wait for popularity but we are always working at making new friends. We wait for success but work for the present. We wait for age—not for wisdom and understanding. Do you ever stop to wonder if all this waiting is really worth it? It's up to you to decide.

Freedom and Responsibilities Go Hand In Hand

By Patsy Paschal

Freedom is something that a majority of us have had all of our lives. Unfortunately, too many of us take it for granted. We are all very lucky to have been born in America, for this is one of the few countries of the world in which its citizens may enjoy complete freedom within the limits of the law.

With every freedom, however, comes responsibilities, and too many of us fail to accept these responsibilities. Also, few people actually respect and cherish the freedoms for which our forefathers fought and died. In order that we may give due respect to these freedoms we must carry out the responsibilities which are created by them. If we choose to ignore these responsibilities, then our forefathers' struggle will have been in vain.

As the younger generation, we must be willing to stand up and fight for the freedoms which we inherited so that the generations to come may enjoy them too. This willingness to fight is not only our responsibility but our privilege as well.

Seniors Have First Class Meeting

"Being a Senior is better than being a sophomore." With that statement a discussion was begun on "What is a Senior?" at the first meeting of the Senior Class on Monday, September 23. Mr. Allen reminded each senior of his privileges and his responsibilities. He stated that one of the senior privileges would be the cheering of "Seniors '69!" at the pep rally. He added that the sophomores and juniors would not be allowed to cheer spontaneously.

A lengthy discussion was led by Mark Ann Freeman on whether or not the seniors should have quotations put by their names in the Gargoyle. It was decided by popular vote that the quotations would appear in the yearbook.

Preceding the business a class recruiting program was held by representatives of the four branches of the

On Friday 13 the Pep Club of Dothan High presented its second rally of the year. Diane Moss, president of the Club, introduced Coach Bobby Sirmon who disclosed who the two game captains were—David Johnson and Steve Simmons. As usual each captain gave his boosting remark which was followed by cheers and applause from the student body.

Following this the Pep Club showed a preview of the upcoming game attraction. There was only one contradiction, the girls were the ball players and the boys were the cheerleaders. Starring in the football line-up were Katie Elmore, Mary Ann Adams, Leslie Carroll, Jan Cook, Jane Brown, Denise Daley, Gerry Carlson, Sharon Buchanan and Beverly Creel. The

Dothan girls did a good job of winning for us, with an interception and a touchdown made against the Murphy team.

"Coaches" for the All Stars were Lynne Barrett, Deborah Denney, Shea Gellerstedt, and Amanda Snell.

The cheerleaders for the game were Smith Jackson, Don Owens, Steven Clay, George Cutts, and Mark Williams. They had every one in the stands holding their hands up. The question is, were we holding them up for the cheer, or were we asking for pity?

The band played an active part in the pep rally as it always does. The students especially enjoyed "Dixie." At the close of the game and pep rally the entire student body, including the sophomores, sang the Alma Mater.

Spark Up Your Conversation

How often have you felt the need to add a little spark to your conversation? The following will enable you to accomplish your goals.

Next time you're talking to your friend about that conceited someone, use a couple of these smart remarks:

Tell him he's brilliant and he says, modestly, "I bet you say that to everyone who's brilliant."

He's so conceited, he has his X-rays retouched.

He doesn't want anyone to make a fuss over him—just to treat him like any other great man.

He's carrying on a great love affair—unassisted.

On his last birthday he sent his parents a telegram of congratulations.

If, in the same conversation you begin talking about chatterboxes, here are some gems to try out:

Generally speaking, he's generally speaking.

Her tongue is so long, she can seal an envelope after

she puts it in the mailbox.

If exercise eliminates fat, how in the world did she get that double chin?

When all is said and done —he just keeps on talking.

He's a real drip. You can always hear him, but can rarely turn him off.

The conversation will most certainly change to talking about all of the mean bullies that you know. These quips will never cease to amuse:

If you kicked him in the heart, you'd break your toe.

He'd steal a dead fly from a blind spider.

The only thing he'll share with you willingly is a communicable disease.

He's so cold, he has to part his hair with an axe.

You couldn't warm up to him if you were cremated together.

Naturally, if you are not talking about conceited, talkative, or mean people this article will not do you much good, but who can go through a gossipless day??

Tigers Win Opening Game

The largest crowd ever to see a sporting event in Dothan saw the powerful Dothan High Tigers tame the Enterprise Wildcats 28-0. Wayne Adkinson and Steve Wade did most of the damage on offense, both on the ground and in the air. Wade carried the pigskin 15 times for 151 yards. Adkinson was not far behind with 9 carries and 82 yards. By air, Adkinson connected on five of nine passes for 112 yards. Dothan rolled up 269 yards rushing to Enterprise's 134. In the passing department, Dothan had 112 yards to the Wildcats' 29.

Wade led in the scoring with three touchdowns and Adkinson had the other. Craig Snellgrove was four for four on extra points.

The Tigers gave an indication of things to come on the first play of the game. Adkinson flipped back to Wade, who in turn passed to Adkinson and he ran 75 yards for a touchdown. However, it was called back by a motion penalty.

Just before the first period ended Dothan moved the ball 88 yards for a TD. Wade ran for 11, Adkinson got 15, Wade 17 more, Adkinson 14 and the Tigers were on the Enterprise 10. Adkinson kept, faked a pass and dashed into the end zone.

The Tigers struck for their second marker near the end of the first half. Dothan got the ball on their 39 and on the first play Adkinson found Wade all alone in the Wildcat Second. Wade grabbed the pass and headed for the end zone. The Tigers then had a 14-0 halftime lead.

The first time Dothan had the ball in the second half, they scored again. Wade took the ball 59 yards for paydirt. Snellgrove kicked his third of four extra points and Dothan led 21-0.

In the fourth quarter, the Tigers got the ball on their 28. It took six plays to get to the Enterprise 15 with Wade, Steve Simmons, and Davis Chapman handling the ball. Wade scored his third and final touchdown of the game through the middle of the Enterprise line.

The Wildcats could not get inside the Tigers' 28 the whole night. The tough Tiger defense was anchored by Simmons, Richard Burke, Gene Dean, Reid Underwood, Willie Kirkland, Ricky Clark, Melvin Smith, Tommy Hoffman, Greg Dunning, Bo Nelson, Phillip Craddock, John Cotant, Ed Paulk, Bill Beauchamp, and Wade.

Dothan Defeats Murphy High

Was Friday the 13th unlucky? Not at Dothan High School; Student spirit was high all day long, especially at the pep rally. That night, all expectations were fulfilled as Dothan blanked Murphy 14-0.

The defense was again outstanding, as they intercepted 3 passes, made the Panthers fumble twice, recovering once, allowing only 4 passes in fifteen tries, and letting only 86 yards rushing pass by them. The defensive line of Gene Dean, Richard Burke, Ricky Clark, Bo Nelson, Willie Kirkland, and Melvin Smith, along with backs, Tommy Hoffman, Dean Weatherford, John Cotant, Steve Wade, Tim Hardy, Reid Underwood, and Steve Simmons, set up the offensive team for both touchdown plays.

The first score came after Hoffman intercepted a pass and ran it back to the Murphy 47 yard line. Two plays later, Adkinson hit Davis for the TD. Snellgrove's kick was the fifth straight. The score stood 7-0 until the last of the fourth.

With about four minutes left in the game, Melvin Smith recovered a fumbled pitch-out of Murphy on the six. Adkinson went in on a keeper off-tackle one play later. Snellgrove again kicked true and the game ended 14-0. Outstanding players were Paul Phillips, David Johnson, Gary Kornegay, Ken McBrayer, Ken Crittenden, Tim Roney, Davis Chapman, Steve Wade, Frank Tanton, John Cotant, and Ed Paulk.

Defense Beats Vigor

Dothan High's defense gave the Tigers their third victory in as many games by holding Vigor 13-7. The Wolves gave the Tigers a scare on the opening kickoff. Vigor took the kickoff on their 30 and went ahead of Dothan before the Tiger defense took command. Vigor halfback Paul Casey scored the TD from the one yard line. It was the first touchdown scored again the Tiger defense.

In the second quarter, Steve Wade was a midfield to punt, but got a low snap from center and had to run. He got the first down and more, gaining 27 yards. On the next play, quarterback Wayne Atkinson carried the ball 23 yards for Dothan's first score. Craig Snellgrove missed his first extra-point of the year and the score stood 7-6 at halftime.

What proved to be the winning points for Dothan were scored in the third quarter on a 63-yard drive. The final touchdown came on a 7 yard pass to Wade. Snellgrove's kick split the uprights and Dothan led 13-7.

The Tiger defense then took over. The Wolves' lone touchdown was a 70 yard drive, and they wound up with only 70 yards rushing all night. Dothan got 163 yards on the ground and 37 by air.

With two minutes left in the game, Wade intercepted a Vigor pass at the Tiger 15, but the Wolves recovered a Dothan fumble on the next play. The home team had first-and-goal on the Dothan four with over a minute remaining in the

game. The Tiger defense rose to the occasion and held the Wolves on 4 line plays. Vigor's last chance for victory was halted by Dothan's Dean Weatherford, Gene Dean, David Sprayberry, and Willie Kirkland. Dothan got possession on the one-foot line and ran the clock out for victory number 3.

Have You Got School Spirit?

There's a certain something in the air at D.H.S.

It seems to come each year along with the return to classes and school books, rustling leaves and bright fall clothes, old and new friends, and football games!

This "thing" that can be felt is school spirit.

The Pep Club tries to arouse this spirit among students. Lively pep rallies led by the cheerleaders before the football games help spur the team on to victory.

Special homecoming activities are sponsored by the Pep Club and members are in charge of decorating cars in the school parades.

One of the favorite fun activities is tying the red and black paper streamers and other decorations on the goal posts.

See you at the game!
