

This month's DHS70 lunch was at Hot's Deli on Westgate Parkway.

Chicken Salad Plate with Fruit (partially eaten), Child's Pizza (partially eaten), Turkey Sub & Caesar Salad with Chicken. Doesn't it look yummy?

We were too busy visiting and eating to get a group photo so I've made one for you of the attendees.

We had a wonderful gathering today at Hot's Deli. If you've never been there, you should give it a try sometime. We had a great lunch and lots of visiting. Pam Cannon Weathers joined us today with her granddaughter, Anna. We were so happy to see Pam. I hope she will continue to come join us for our lunches. I do believe she will!

I'm sure some of you have probably noticed that Debbie Fleming Jones hasn't been in the lunch photos for a while. Debbie has been having medical problems and will be having surgery on November 16th at the Medical Center for really bad diverticulosis. She has been hospitalized 7 times since 1999 with bleeding and getting up to 3-5 units of blood each time. She would appreciate your thoughts and prayers. She misses the lunch group and hopes to be back with us in December. We all miss you too, Debbie!

Kathy Hallford Sollie would like to thank you all for your many thoughts, prayers, phone calls, and emails during her mother's recent illness and passing. It was a very difficult time for her and her family and she wanted thank each and everyone of you for sharing and caring during their difficult times. She said the gift of wonderful friends was such a blessing and that your kindness and thoughtfulness was greatly appreciated and would always be remembered.

Below are the photos from today's lunch.

Once again, I will remind everyone. If you have never been to one of the lunches, you should try and come sometime. We always have a good time, good food, warm, loving fellowship with each other and last but not least, *lots of laughs!* Try it sometime, you may just like it. This document will be posted to our website <http://dothanhigh1970.com> in the Photo Albums section. Please visit the website from time to time and check out the message board for information about what is going on with fellow classmates. Also remember to keep you classmate profile up to date with your current address, phone and email information. Also, if you are not getting the lunch notifications or the photos delivered to your email & would like to receive them, please contact me at ddbreckenridge@graceba.net.

I hope you enjoyed the photos. Take care, be safe and you'll get another lunch summary next month.
